How do I sign up for a SIGCHI Membership?

1. The easiest thing to do is go to http://bit.ly/2tjiGTr and logon with your ACM username and password.

How do I sign up for a SIGCHI Membership?

I am not an ACM Member and I want to only sign up for a SIGCHI membership.

1. Follow the link [http://bit.ly/2tjiGTr](http://bit.ly/2tjiGTr) and find “Non-Member Option 1” at the bottom of the page to sign up as a Professional or Student.

2. Fill out the application form with your name, address etc. Note that “ACM SIGCHI Membership” radio button at the bottom of the page is selected and then click Continue.

3. You will then see the following page with the appropriate membership type and price.
4. At this point, you can enter your credit card information and Complete the submission of your application. You will receive a confirmation email from the ACM.

5. You are also given the option to add other SIGs, add a Member Plus package (receiving the print proceedings of the three largest SIGCHI conferences: CHI, UIST, CSCW), or add publications to your membership. Each selected item will add a cost to the total. These are not required, though, for signing up for SIGCHI membership.

WELCOME TO THE SIGCHI FAMILY !!
